REMARKS

This amendment under the provisions of Rule 1.312 is submitted in response to the "Response to Rule 312 Communication" dated 22 July 2004. Applicant's attorney notes that the disapproved Rule 312 amendment was filed on 11 June 2004, not 3 February 2004 as indicated in that communication, and therefore presumes that the Office entered an incorrect date on communication form PTOL-271.

Applicant's attorney wishes to thank Examiner Pryor for the telephone message of 29 July 2004 where he indicated that a replacement Rule 1.312 amendment should be filed to correct the status of claim 1 to read "previously presented." The status of Claim 1, which had been amended by an Examiner's amendment, was incorrectly given as "currently amended."

Entry of the above amendment(s) under the provisions of Rule 1.312 is respectfully requested for the purpose of correcting the status of claim 1, and to correct errors in the Examiner's amendment. In claim 15, the wrong incidence of the term "comprising" was replaced with "consisting essentially of." In claims 2 and 16, the term "alkyletheramine" was misspelled.

The Commissioner is hereby authorized to charge any fee in connection with this amendment to Deposit Account Number 19-1345.

Respectfully submitted,
